Wow, what a summer. Plus 100 degree temperatures several times, 90's were common and when it dropped into the upper 80's it felt relatively cool. My AC works OK for most normal Wisconsin heat waves but this year, it was struggling to keep me cool. I hate to say it but I'm almost looking forward to the cooler fall weather and riding with open windows again.

We're starting to plan for the CWI Holiday party. Last years event at Blackhawk Country Club was fantastic and it seems that there are open dates in January for Sunday lunch. We're looking at having the 2012 event on January 13 or January 20. We'll have the date set by next newsletter, so be ready to mark your calendars.

We also will be looking for anyone who would like to be a club officer or one of the staff. I've been doing the newsletter for about 25 years and treasurer for around 10. I would like to have someone think about taking the reins for a while. I think it would be great for the club to have some fresh outlooks in print. We also need a social chair position to plan events for the region. It's not a heavy lifting job, but is well suited to a socially oriented person who likes to plan parties, tours or whatever.

The Lake Mills concourse event on September 2 is really fun. There are always interesting cars that show up, and Lake Mills is a fun little town to hang out in. We didn't get a tour together for this event but it is well worth the trip over anyway. Who knows, maybe a tour will just happen, or there are good places to have lunch.

Porsche Parade is in the Traverse City Michigan area next year. This one will be on the calendar. Maybe we can tour over together? The drive north around the lake is pretty.

July Tour

Sunday July 29 was warm and rain was threatening, but it turned out to be a great day for a spirited tour through the hills south west of Madison. Our tour took us to Mount Horeb for a rest stop for shopping and refreshments, then back on the roads to finish the tour at the Passmore's residence near Oregon.

Trevor and Susan did a fantastic job of feeding us all and we thank them for their hospitality.
