THE HAWK WITH BRIAN REDMAN (VINTAGE CARS)

JULY 18-21

A mid-summer favorite, THE HAWK with Brian Redman is one of the largest vintage racing gatherings in the United States and features over 50 classes of cars racing in several groups. The four-day weekend will also showcase a Historic CAN-AM, which is the highlight of this year's event as an impressive field of cars is expected to gather in celebration of CAN-AM's 47th Anniversary. For 2013, Road America will pay tribute to the Chevrolet Corvette as its featured marque in celebration of Corvette's 60th anniversary.

Writers Block *Mach Schnell Editor, Chuck Schmeling*

We're going to try to find a date to go to Sugar River Raceway sometime in July to run the track. We'd like to do a Friday evening if an acceptable date can be found. When we have a schedule, we'll send out a club-wide e-mail with details.

We're also planning a tour up to the Brian Redman Vintage Races in July at Road America. Meet at the American TV East parking lot just off High Crossing at 8:00 am on Sunday July 21 and we'll run up Hwy 151 to Fond du Lac and 23 to Road America. If you've never been to the vintage races, you will be amazed at what some people do to race these irreplaceable cars...for fun. Take your camera.

There will also be two more autocross events at Columbus 151 Speedway and possibly a fall color tour in October.

It's Porsche Convention time in Traverse City and it will be busy week. Can't wait to see the Concourse.
