CWI Tour to Road America, Weathertech International Challenge—Vintage Racing, July 17

We're planning a drive up to Road America in July for the WeatherTech® International Challenge with Brian Redman. It's the 50th anniversary of Can Am racing. This year's event will also feature a special UOP Shadow CAN-AM tribute and Corvair reunion. We'll get to see some of those "other" flat six air-cooled cars.

We'll drive up early Sunday morning, July 17 and find a spot in the Porsche Park. Tickets are \$40 in advance, ending July 6. Meet at the Sun Prairie McDonalds on Windsor St, just east of Hwy 151 at 7:30 am. There's a vacant parking lot just behind McDonalds to meet in and you can take a bathroom break and get coffee and breakfast for the road. **Please RSVP to Chuck at 608-837-6144 or boxsters@yahoo.com**

if you're coming so I'll know to wait for you. Everyone is responsible for their own tickets, event and otherwise.

Take sun screen and comfortable shoes. A folding chair and earplugs would be a good idea too. If you've never been to this event, be prepared for a gearhead extravaganza, and keep reminding yourself, this is "amateur racing". It will make your hobbies pale in comparison.

Writers Block

Mach Schnell Editor, Chuck Schmeling

We've started off what looks to be a very busy summer. There already has been two autocross events at Janesville Parker High School. That parking lot makes a great track. We're running up to the Vintage Races at Road America in July, we're going to Sugar River in July, we're having a meeting on Saturday Aug. 20 at Kelly Moss and Trevor's leading a tour to New Glarus (Tail Of The Spotted Cow) on August 28 on some roads that promise to "tip" your stomach.....tip, get it? Cow Tipping? OK, moving on.

We've decided to purchase some new autocross cones. Since ours were purchased sometime in the 1980's and a few of them have been run over or taken for a ride around the track under someone's car, it's time to freshen things up a bit. Besides, the old cones are 18" high and very heavy. We need a truck or van to carry them to the events. The ones we found are 12" high and should produce a much smaller load, maybe even small enough to fit in the back of my 944. If anyone knows someone who would like our old cones, please let us know. We'll make then a deal they can't refuse.

August Meeting at Kelly Moss, Sat., August 20. 10—12 AM

As promised, we're on for our August monthly meeting at Kelly Moss Motorsports in Madison. We've invited some Viper Club members from the Chicago region. Some of them have Porsches and may bring them instead, including a 918 Spyder.

Meet at Kelly Moss at 10:00 AM. We'll bring food.

Afterwards we will take a short drive to Oregon WI for a BBQ at Chez Passmore
