Winter is here....sort of. My 944 is back on it's rack for the season with a tank full of Stabilized 93 octane and it's battery tender plugged in. Last Friday I was sorely tempted to get him back down and go for a run. I would have, but I ran out of daylight after running some errands and last minute Christmas shopping. As of this writing the forecast has snow in it for this coming Thursday, so...It may be a while till I get to drive it again. We'll see....

The Holiday Party is on for January 20th. If you can, please join us at Blackhawk. It's a lovely place and the food was absolutely great last year. Mike Wenzel had done a great job setting this up for us. Many thanks to him and the chef.

The 2013 Porsche Parade will be in Traverse City Michigan from June 23 to 29. Many of us consider this a "local Parade" and are planning on driving over. We will most likely go the northern route over the Mackinac Bridge. I was there for the Traverse City Parade in 1989. It is a beautiful area to visit. Watch for further announcements about a possible tour over to MI by CWI members.

We are still in need of a Social Chair position on the CWI board. If interested contact any of the listed board members. Or, if you just have a good idea for an event, give us a call. Happy Holidays!

2012 FALL COLOR TOUR

Sunday, October 7 we met up at 2 Shores Classic Cars in Lake Mills for our fall color tour. It was chilly and a bit cloudy but the rain held off and it turned out to be a nice day. Unfortunately, like many fall color tours, the precious week was more colorful, but there was still plenty of color to make the curvy roads pretty. The tour ended at Hi Way Harry's near the outlet mall in Johnsons Creek where we had brunch. Now the Porsches could be put away for their long winters nap.
