## CWI-PCA Autocross 2017

We're looking at a potential for two different tracks this coming year. Janesville Parker High School parking lot and possibly the Whitewater High School parking lot. Arrangements are being pursued now but Whitewater looks promising and it's an interesting layout. It has three separate lots connected by blacktop roadways. Depending on how creative we get, we could have a nice little road course there. We'll keep you informed as to how the negotiations are going.

## Porsche Parade—2017

Location is Spokane, WA. We just drove west this spring and the route is long but beautiful. We can recommend a few places to stay along the way.

## Writers Block *Mach Schnell Editor, Chuck Schmeling*

Greetings and Merry Christmas, Happy Holidays to you. We've set the date and place for our January Holiday party and I think you will love it. The food is delicious.

Our autocross venues are coming together. We should have an active season. As of this writing, winter has set in and my car is in it's winter place. Funny, I just took it out for a 30 mile warmup only two weeks ago!

Enjoy the season. We'll see you all in the spring.
