

CWI-PCA NAME TAGS

Many years ago our region made name tags for the members. Most of those tags have long disappeared and we no longer have the original blanks. We have decided that our club should have new name tags available to our members to wear at CWI events.

We have a local source that will engrave nice magnetic clasp or pin clasp name tags for us with the new CWI logo. The CWI board has decided that the Club will cover the cost of name tags on this initial order for any Active member and Associate/Family member.

We are making an initial batch order in December. All members can receive two free tags. All present CWI-PCA members who return the lower half of this form will have their tags shipped directly to them. Name tags are white with the new CWI logo, 3 in high by 2 in wide with a magnetic clasp or a pin clasp. Please note your choice of clasp on the initial order form below. Please send your order to us by Sunday December 5 or bring to the Holiday Party.

After this initial order, anyone who wants a name tag can order one at cost by contacting us and sending a check payable to; CWI-PCA. A pdf downloadable order form will appear on the CWI web site after this initial order. Future name tag costs will be \$12.50 after this initial order.
