

Porsche Club Name Tags

Club members are encouraged to place an order for personalized name tags. Wearing your name tag to PCA events is a great way to show club spirit and to identify yourself as a Central Wisconsin Region member.

Name tags are 2 inches wide by 3 inches tall and include our region logo. They are produced locally with either a magnetic clasp or pin clasp (your choice). You may order for any Active member and Associate/Family member.

Printing and engraving cost is \$12.50 per name tag. Shipping is free. Please include a check payable to: CWI-PCA. Allow several weeks for delivery -- to keep costs down we hold orders until we have a batch to engrave.
