Central Wisconsin Region - Webmaster Report

Since the temperatures are rising, the visitor numbers for the web page are also going up. But we are still a long way from the 2022 numbers.

Summary Stats ?

The online registration for AutoX and Tours are well received.

- We had 18 registrations for the May 7 AutoX
- So ware, we have 11 entries for the May 21 AutoX
- 25 entries for the 2023 Spring Tour and 5 for the September tour to Bemidji.

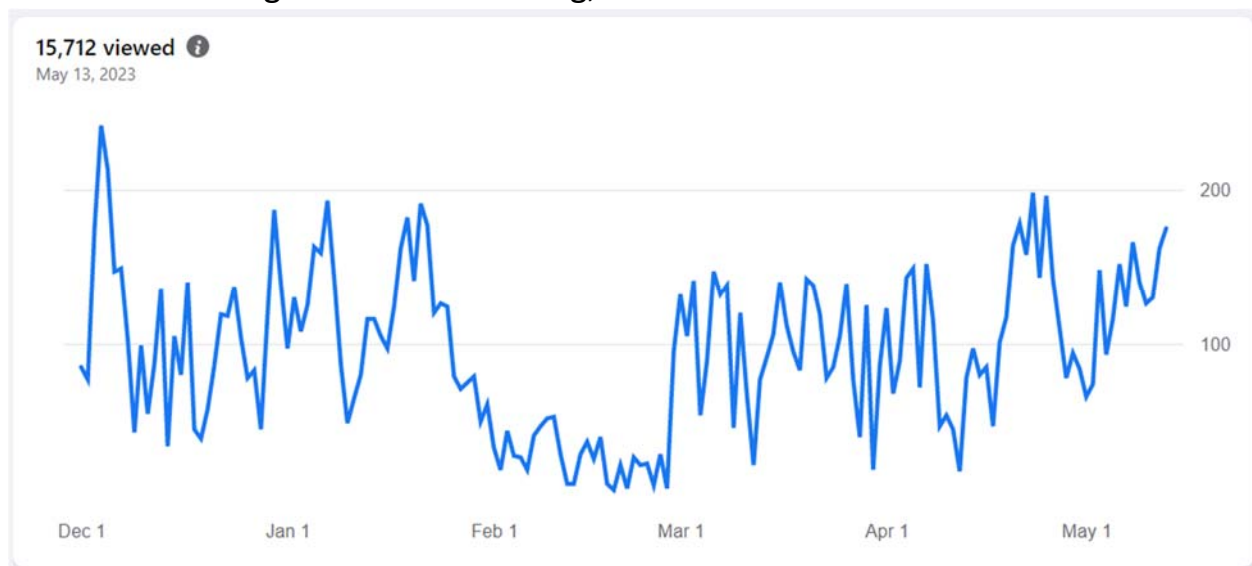

I had information requests for the Bemidji tour from North Dakota and Northeast Region. Since all Major CWI events are posted on the National PCA Event web page.

Sabine and I are preparing for the Porsche Parade on June 18-24. We will fly to Orange County and will rent a Papaya Metallic 2022 Macan.

It looks like we will be the sole representative for Central Wisconsin.

I hope we will bring home a couple of trophies for the Central Wisconsin Region.

Our Facebook Page is alive and kicking, with over 400 members
