# REGISTER FOR TRACK DAY WITH MILWAUKEE PCA

(Story and photo courtesy of Milwaukee PCA)

After a few snowstorms, some cold weather and a hint of spring, you may be asking yourself: When are we doing some high-performance driving? Here's when:

**When:** Aug. 22, 2025

**Place:** Road America (The Best Road Course in the world.)

**How to register:** [Milwaukee PCA-- Road America DE](#)

Over the next few months, Milwaukee PCA will be sending out more information regarding the event, but because this event is routinely a sell-out, you should register early.

AND... If you want to spend two days at Road America...

One of the things we hear from many drivers is that they would like to spend more than one day at the track. This year, we are excited to announce that we have a second day planned. **If you do both days--you get a discount!** For those of you that are driving at the DE event and sign up for Autocross, you will receive 50% off the published Autocross rate.

On Aug. 23, we will be autocrossing at Road America's Motorplex. [Click here to sign up for the region's autocross at Road America.](#)

Any DE questions? Send them tot the PCA Milwaukee DE Committee. Email: [MilwaukeeDE@gmail.com](mailto:MilwaukeeDE@gmail.com)

Autocross questions? Email [autocross@porschepark.org](mailto:autocross@porschepark.org)

See you in the turns!

**1962 French Grand Prix Dan Gurney Porsche Race Victory Poster** Hand Signed by Erich Strenger. Strenger's work with Porsche between 1951 and 1988 was instrumental in creating the Porsche brand as we know it today.

This poster was issued by the Porsche factory in celebration of Strenger's favorite posters. Hand signed, numbered posters were printed in the mid-1980s and quickly sold out. **This poster is numbered #397 out of 500 and is 20" x 27-3/4" and very suitable for framing.** This poster is in excellent condition.

**WeatherTech floor mats for 2017 911 Carrera.** New! These were ordered by a member for a 2017 Carrera but never used. He donated them to the club. \$115 new from WeatherTech.

**Winter Tires for Macan base 2021 and newer:**

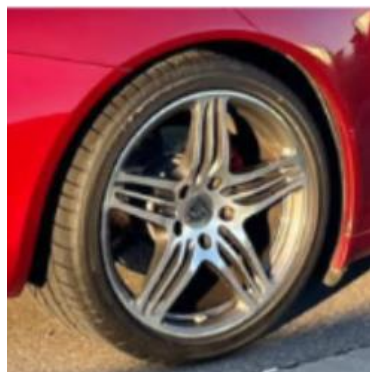

Bridgestone Blizzaks DMV2. 235/55/ R19 front and 255/50 R19 rear. Mounted on Alutec Ikenu wheels with tire pressure monitoring sensors. See representative picture

Used only last season and they have less than 5,000 miles on them and they are in great shape. These Blizzaks provide significant improvement in winter handling for the Macan. They should last for several more winter seasons.

Selling because Macan was traded in and tires do not fit new vehicle.

**Asking \$900.00**, less than half the new cost.

If interested, please contact me at [rothschild.john@gmail.com](mailto:rothschild.john@gmail.com)

**Set of 4 Porsche 997.1 (2005-2008) turbo wheels.** For wide body cars (4, 4S, Turbo). True and straight showing no rust or non-cosmetic damage, all 4 held air consistently during my use.

Selling because I prefer a different style wheel. There is some curb rash, some of which has been repaired, some swirling from cleaning, and a few nicks on each wheel.

A wheel specialist could easily refinish these and get them like-new again. I am located in Madison, WI.

Local pickup preferred, and I am happy to arrange a location to meet. **Call or text Teddy Link at 781-698-8300.** Can send more detailed pictures upon request. **\$1750 OBO.**

# Projekt964 auction is March 18-24

Porsche Club of America's Projekt964 will be listed on **Bring a Trailer** for a **weeklong online auction** March 18-24, 2025.

For those unfamiliar with this 911, back in 2020 a member donated this iconic 911. While the car was in remarkable original condition, it still needed mechanical and cosmetic attention due to its extended storage. With the help of Porsche Cars North America, Porsche Classic, local independent shops, sponsors, and *Porsche Panorama* advertisers, the 1990 Guards Red 911 Carrera 4 was transformed from a barn find into a RS-inspired 964 that would be perfect for an ünStock event.

Good luck bidding!
